

I am served by K-LOVE and do not want to see it displaced by an LPFM broadcaster providing other programming. Service provided by K-LOVE is wholesome, positive and encouraging as well as family-friendly. It supports wholesome values and has an impact on communities all across America. I listen to K-LOVE on 96.9. I believe listeners are uplifted. Our society today has many stresses between careers, finances, raising families and and or present economy. I believe K-LOVE's message can help us handle these stresses daily by their positive messages and music.
